

## GDAR Blackcap Lady 7225

**Registration #:** 10988353

**DOB:** 3/25/1987

A picture perfect Traveler 3173 daughter that was bought from GDAR. At the 1998 Milk River Angus Association Sale, 7225 produced the top selling bull for \$7500. In 2002 at the MRAA sale, she produced the top three high-selling bulls out of different sires. 7225 combines meat, muscle, milk and eye appeal all in one package. 7225 boasts a \$EN value of 22.65. This cow had great longevity, being flushed until she was 18 years old. We have an OCC Anchor daughter that is a picture perfect replacement for 7225 and has excellent ratios.
