

790 with a 111 heifer calf

Granger Pride 790

Registration #: 13538124
 DOB: 2/28/1997

Granger Pride 790 produced the 2006 Midland Bull Test WDA Champion with a gain ratio of 124. This Bon View New Design 208 son sold to Whitestone-Krebs for \$21,500. She produced the 3 bulls that won the Midland Bull Test 2006 World Champion Performance Pen, quite a feat for an individual female. A 790 daughter produced a Hyline Right Time 338 son that sold for \$10,000 at Midland in 2005. Her sons are doing well again at Midland Bull Test and Treasure Test for 2007. Her female progeny are my top cows. This is a rock solid foundation cow that passes her maternal genetics and quiet disposition to her daughters and masculinity and performance to her sons. Her genetic consistency with different matings may be her greatest asset. This year her 5 sons at Midland totaled 21 stars for tenderness in three different matings.

Midland Bull Test 2007 Ultrasound updates on 790 calves:

Lot 155: New Design 208 son ADJ IMF: 7.00 ADJ RE: 14.5
